

Who am I?

In *Renewable Energy*, Bill Nye names some specific animals that are being harmed by global warming.

Choose one of the animals listed below (circle your choice) and do some research to answer the questions that follow:

- Polar bear
- Pika
- Akikiki
- Emperor Penguin
- Panda

Research Questions	Answers
1. Who am I? (Describe my characteristics.)	
2. Where do I live? (Post a picture of your animal on the world map provided by the teacher.)	
3. What do I eat?	
4. How do I get my food?	
5. How is global warming negatively affecting me?
