

ABCs of Fire Extinguishers

Did you know that there are many kinds of fire extinguishers? See the Resources section for helpful websites to collect information about fire extinguishers and complete the worksheet.

Explain how to operate a fire extinguisher, using language a young child would understand:

Type of Extinguisher	Intended Purpose
A	
B	
C	
D	
ABC	

Group Project: Develop a broadcast, print, or Internet public service announcement (PSA) about the safe use of fire extinguishers. Share your PSA with the class.
