### TAKE-HOME ACTIVITY:

## THE \_\_\_\_\_ FAMILY'S HOME FIRE ESCAPE PLAN

Dear Family: Just like your child's school has a fire escape plan that students practice, you can make and practice a home fire escape plan. Read the directions with your child and do the activity together.

#### Directions

- 1. On the grid below, draw a floor plan of your home (if there are two levels, divide the grid into two sections, one for each level). Label all rooms windows, doors, stairs, and your family meeting place.
- 2. Use arrows to show two ways out of every room. For rooms above ground level, show how to get down (fire escape or ladder).

**In the event of a fire, call 9-1-1.**
