TIMON AND PUMBAA'S FIRE SAFETY BOARD GAME

How to Play

1. Place your game pieces on the word START.
2. Take turns rolling the number cube. Move your game piece the number of spaces shown on the cube.
3. If you land on a space with a fire safety message, do what the message says.
4. The game is over when both players get to the outdoor meeting place.

START		Your family changes the smoke alarm batteries twice a year. Move ahead 2 spaces.			You played with matches. Move back 4 spaces	Your family has a home fire escape plan. Move ahead 3 spaces.	
		You know that smoke is lighter than air and fills a room top down. Move ahead 2 spaces.	You know that water can remove heat from a fire. Move ahead 2 spaces.		You know that the three parts of the fire triangle are oxygen, heat, and fuel. Move ahead 1 space.		You and your family didn't practice your home fire escape plan. Move back 5 spaces.
You forgot that fuel is anything that burns. Move back 2 spaces.	You forgot that water can remove the heat from a fire. Move back 6 spaces.		You know that a stove is a source of heat. Move ahead 2 spaces.			You know that water can remove the heat from a fire. Move ahead 1 space.	
			Your home fire escape plan doesn't show two ways out of every room. Go back 5 spaces.		You know why it's important to feel if a door is hot before opening it in a fire. Move ahead 1 space.	You know when to get down and get out in case of a fire. Move ahead 2 spaces.	You didn't test your smoke alarm this week. Move back 4 spaces.
