Name: _____

HAND WASHING DATA SHEET

Timon and Pumbaa learned that to get rid of germs, you need to wash hands with soap and warm water for 20 seconds. Wash your hands for what you estimate is 20 seconds. Have someone keep track of the actual time you take. Record your time in the chart. Try it again. Record the times for you and your classmates. For each time, decide if it's less than (<), greater than (>), or equal to (=) 20.

Name	**Time 1** (in seconds)	**less than (<) greater than (>) equal to (=)**	**Time 2** (in seconds)	**less than (<) greater than (>) equal to (=)**
